FEED SMART!

The HAYBOSS FEEDERS 2023 Product Catalogue

Product SKU, Weight & Dimensions Description
 Lbs/L W H Inches

Product	SKU, Weight & Dimensions	Description
<p>Standard HayBoss Feeder</p>  <p>SKU: HFS7886</p> <p>Ship weight: 625lb</p> <p>Ship Dimensions: 86x48x17</p> <p>Assembled Dimensions: 95x78x84.5</p>	<p>Price Complete with Net Assemblies: \$4950.00 CAD \$4200.00 USD</p> <p>(Net Assemblies Included)</p>	<p>The Standard HayBoss Feeders is designed to fit any size round bale or up to 16 small square bales. It is made from galvanized steel to ensure maximum durability. The high quality, thick nylon net is self-tensioned by the spring-loaded roller, always keeping the net taut no matter the amount of feed inside. This also enables the feeder to be put on a fence line to feed two paddocks at once. Choose #1 Net (approx. 1 1/4" diamonds) or #2 Net (approx 1 5/8" diamonds) or #3 Net (approx 2 1/2" diamonds) (Net Assemblies Included) Rain, snow, mud, wind and waste are no longer an issue with HayBoss Feeders. For loading, simply unlatch the net handles and allow the net to roll up on the rollers, load bale on end, cut strings or wrap and stretch net around the bale and re-latch the handle. Assembled Dimensions: 95"x78"x84.5"</p>
<p>XL HayBoss Feeder</p>  <p>SKU: HFX54102</p> <p>Ship weight: 600lb</p> <p>Ship Dimensions: 24x54x78</p> <p>Assembled Dimensions 110x54x70or 82</p>	<p>Price Complete with Net Assemblies: \$4950.00 CAD \$4200.00 USD</p> <p>(Net Assemblies Included)</p>	<p>The XL HayBoss Feeders is designed to accommodate one large rectangular bale up to 4'x4'x8' or can be loaded with as many as 20 small square bales. Height of floor can be adjusted to 12" or 29" from the ground. Made with galvanized metal for maximum durability.) attached to spring loaded rollers eliminating slack at all times. This also enables the feeder to be put on a fence line to feed two paddocks at once. Choose #1 Net (approx. 1 1/4" diamonds) or #2 Net (approx 1 5/8" diamonds) to go with your feeder. (Net Assemblies Included) Rain, snow, mud, wind and waste are no longer an issue with HayBoss Feeders. For loading, simply unlatch net handle and allow the nets to roll up on the rollers, load bale, cut strings or wrap and stretch net around bale and re-latch the handle. Assembled dimensions: 110"x54"x70"or 82"</p>

<p style="text-align: center;">JR HayBoss Feeder</p>  <p>SKU: HFJ5451</p> <p>Ship weight: 375lb</p> <p>Ship Dimensions: 20x54x78</p> <p>Assembled dimensions: 60x54x70or 82</p>	<p>Price Complete with Net Assemblies: \$4050.00 CAD \$3650.00 USD</p> <p>(Net Assemblies Included)</p>	<p>Just like all other HayBoss Feeders the Junior is made of galvanized steel for maximum durability. The height of floor can be adjusted to 12" or 29" from the ground. The netting is always kept taut at all times with spring loaded rollers. This also enables the feeder to be put on a fence line to feed two paddocks at once. Choose #1 Net (approx. 1 1/4" diamonds) or #2 Net (approx 1 5/8" diamonds) to go with your feeder. (Net Assemblies Included) The Junior is designed to load up to 8 small square bales simply by unlatching the net handle, allowing the net to roll up on the spring-loaded roller. Load bales, cut the strings and pull the net around the bales and re-latch the handle. Rain, snow, mud, wind and waste are no longer an issue with HayBoss Feeders. Assembled dimensions: 60"x54"x70"or 82"</p>
<p style="text-align: center;">Do It Yourself Standard Round Bale Feeder</p>  <p>SKU: HDIYS</p> <p>Ship weight: 147lb</p> <p>Ship Dimensions: 78x24x10</p> <p>Assembled Dimensions: 95x78x85</p> <p>Inside Dimensions: 86x78x66</p>	<p>Price Complete with Net Assemblies: \$2900.00 CAD \$2450.00 USD</p> <p>(Net Assemblies Included)</p>	<p>HayBoss Feeders now has DIY round bale Feeders! <p>Pen-Pal HayBoss Feeder</p> 	<p>SKU: HFPP1</p> <p>Ship weight: 35lbs</p> <p>Ship Dimensions: 47x24x8.5</p> <p>Assembled Dimensions: 23x46x16</p> <p>Price: \$570.00 CAD \$490.00 USD</p>	<p>This awesome feeder was designed to make feeding small square bales quick, easy, efficient and clean. Simply unlatch the net frame, place the bale inside and relatch the net frame. Use it in conjunction with the HayBoss Hay Buddy and make your chores even easier.</p> <p>The Pen-Pal is easy to assemble, easy to install and easy to use. You and your animals will love The HayBoss Feeders Pen-Pal.</p>
<p>The HayBoss Pen-Pal Feeder Door</p> 	<p>SKU: PPPD2346</p> <p>Ship weight: 5lbs</p> <p>Ship Dimensions: 47x24x1</p> <p>Assembled Dimensions: 47x24x1</p> <p>Price: SRP</p> <p>\$180.00</p> <p>\$145.00 USD</p>	<p>Product Description</p> <p>This is a replacement door for the HayBoss Pen-Pal. The netting should last for quite some time (3 to 4 years), but it depends on your animals so if you do need to replace it, this door is what you would need. Pen-Pal Netting included and there is no need to fish the netting through the door frame as this comes pre-assembled.</p>
<p>The HayBoss HayHoop</p> 	<p>SKU: HFHH12172</p> <p>Ship weight: 6lbs</p> <p>Ship Dimensions: 13x20x3</p> <p>Assembled Dimensions: 13x20x36</p> <p>Price: SRP</p> <p>\$198.00 CAD</p> <p>\$170.00 USD</p>	<p>Product Description</p> <p>The HayBoss HayHoop uses a net that is the longest lasting and most durable net on the market. This product keeps your animals occupied and well fed. It easily installs on a wall with hardware included at the recommended 40"- 60" above the ground. The HayBoss HayHoop helps to reduce the likelihood of your animal's developing ulcers and helps to prevent vices such as cribbing and weaving by keeping them busy chewing. Simply attach the HayBoss net onto the spiral fittings then fold down from the wall for easy loading with a 12"x17" opening. Secures with durable steel latch. and it has 1 3/4" diamond holes. This works great for all types of forage feeding animals.</p>

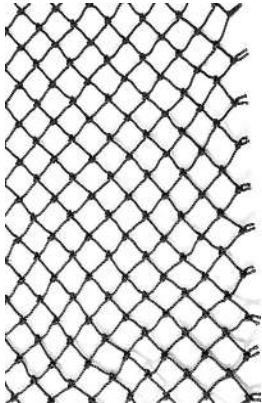

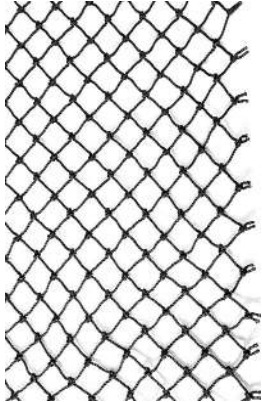

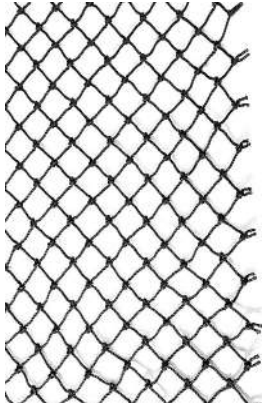

<p style="text-align: center;">The HayBoss HayBag</p> 	<p>SKU: HB12172</p> <p>Ship weight: 4lbs</p> <p>Ship Dimensions: 4x9x9</p> <p>Assembled Dimensions: 12x17x30</p> <p>Price: SRP</p> <p>\$119.00 CAD</p> <p>\$102.00 USD</p>	<p>Product Description</p> <p>The HayBoss HayBag is a designed to keep your animals occupied and well fed. The net has diamond holes that are 1 3/4" and the bag can hold up to 3 flakes of a small square bale. When completely filled, the bag is approximately 12x17x30." And being longest lasting and durable net on the market, this is a great option for net feeding any type of forage feeding animal. Includes a draw string at the top and a metal ring on the bottom for securing.</p>
<p style="text-align: center;">HayBoss Hay-Hoop Net Replacement</p> 	<p>SKU: NBHH12172</p> <p>Ship weight: 2lbs</p> <p>Ship Dimensions: 4x9x9</p> <p>Assembled Dimensions: 4x9x9</p> <p>Price: SRP</p> <p>\$115.00 CAD</p> <p>\$98.00 USD</p>	<p>Product Description</p> <p>The HayBoss HayHoop uses a net that is the longest lasting and most durable net on the market. The netting hooks in like a basketball hoop and is also designed for easy removal. Simply attach the net onto the spiral fittings then fold down from the wall for easy loading with a 12"x17" opening. Secures with durable steel latch.</p>
<p style="text-align: center;">Hay Buddy</p> 	<p>SKU: HHB48</p> <p>Ship weight: 35lbs</p> <p>Ship Dimensions: 32x24x7</p> <p>Assembled Dimensions: 22x48x26.5</p> <p>Price:</p> <p>\$450.00 CAD</p> <p>\$390.00 USD</p>	<p>The HayBoss Hay Buddy is a 15" wheeled cart designed to make hauling and loading a small square bale into a Pen-Pal a breeze. Simply put a square bale on the cart and wheel it to the feeder, tip the bale up into the open Pen-Pal and latch the net frame. The feeder and cart combo makes it the easiest and cleanest way to feed small square bales.</p>

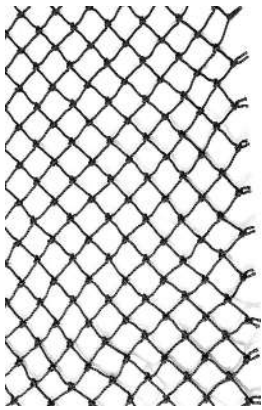

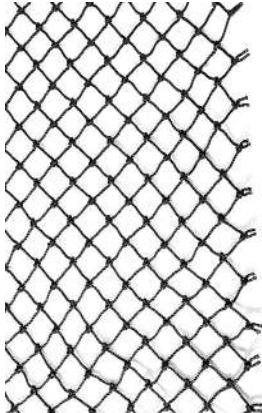

NET ASSEMBLIES		
<p>Standard #1 Net Assembly One side</p> 	<p>SKU: NAS10100</p> <p>Ship weight: 17.5lb</p> <p>Ship Dimensions: 76x8x8</p> <p>Price: \$570.00 CAD \$490.00 USD</p>	<p>This durable UV rated netting has been chosen for its high tensile strength and great resistance to abrasion. Having approximately 1 ¼”x 1 ¼” diamond sizes, the #1 Net is recommended for horses that are already familiar with net feeding as well as goats, sheep, deer and other exotics. Allows your animals to eat small amounts for long periods of time as nature intended. Reduces waste, cribbing, heaves, ulcers as well as herd aggression in turn saving you time and money. Comes complete with rods, cables, handle and roller connecting bar.</p> <p>Note: If you purchased your feeder before 2019 you may need the update kit. Be sure to contact HayBoss Feeders to ensure this new system will work for you.</p>
<p>Standard #2 Net Assembly One side</p> 	<p>SKU: NAS14130</p> <p>Ship weight: 17.5lb</p> <p>Ship Dimensions: 76x8x8</p> <p>Price: \$570.00 CAD \$490.00 USD</p>	<p>This durable UV rated netting has been chosen for its high tensile strength and great resistance to abrasion. Having approximately 1 5/8”x 1 5/8” diamond sizes, the #2 Net is recommended for first time net feeders, hard keepers, colts and senior horses. It drastically reduces waste, cribbing, heaves, ulcers as well as herd aggression. Comes complete with rods, cables, handle and roller connecting bar.</p> <p>Note: If you purchased your feeder before 2019 you may need the update kit. Be sure to contact HayBoss Feeders to ensure this new system will work for you.</p>

<p>Standard #3 Net Assembly One side</p> 	<p>SKU: NAS20130</p> <p>Ship weight: 19lb</p> <p>Ship Dimensions: 76x8x8</p> <p>Price: \$570.00 CAD \$490.00 USD</p>	<p>This durable UV rated netting has been chosen for its high tensile strength and great resistance to abrasion. Having approximately 2 ¼”x 2 ¼” diamond sizes, the #3 is our heavy-duty net with cordage 1 ½ times larger than the #1 and #2 nets. It is recommended for first time net feeders, hard keepers, colts and senior horses. It drastically reduces waste, cribbing, heaves, ulcers as well as herd aggression. Comes complete with rods, cables, handle and roller connecting bar.</p> <p>Note: If you purchased your feeder before 2019 you may need the update kit. Be sure to contact HayBoss Feeders to ensure this new system will work for you.</p>
<p>XL #1 Net Assembly One side</p> 	<p>SKU: NAX10100</p> <p>Ship weight: 18lb</p> <p>Ship Dimensions: 58x9x9</p> <p>Price: \$570.00 CAD \$490.00 USD</p>	<p>This durable UV rated netting has been chosen for its high tensile strength and great resistance to abrasion. It is made to fit on XL HayBoss Feeders. Having approximately 1 ¼”x 1 ¼” diamond sizes, the #1 Net is recommended for horses that are already familiar with net feeding as well as goats, sheep, deer and other exotics. This net allows your animals to eat small amounts for long periods of time as nature intended. Reduces waste, cribbing, heaves, ulcers as well as herd aggression in turn saving you time and money. Comes complete with rods, cables, handle and roller connecting bar.</p> <p>Note: If you purchased your feeder before 2019 you may need the update kit. Be sure to contact HayBoss Feeders to ensure this new system will fit.</p>

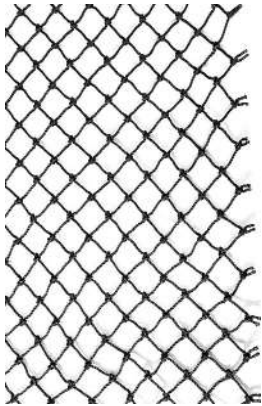

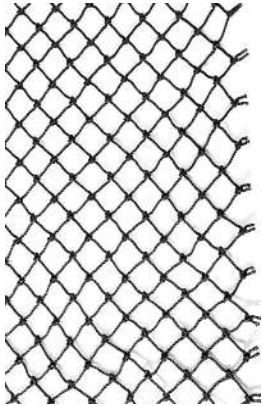

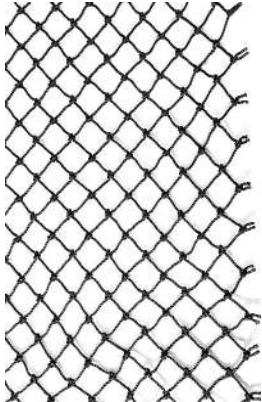

<p style="text-align: center;">XL #2 Net Assembly One side</p> 	<p>SKU: NAX14130</p> <p>Ship Weight: 18lbs</p> <p>Ship Dimensions: 58x9x9</p> <p>Price: \$570.00 CAD \$490.00 USD</p>	<p>This durable UV rated netting has been chosen for its high tensile strength and great resistance to abrasion. Having approximately 1 5/8" x 1 5/8" diamond sizes, the #2 Net is recommended for first time net feeders, hard keepers, colts and senior horses. It drastically reduces waste, cribbing, heaves, ulcers as well as herd aggression. Comes complete with rods, cables, handle and roller connecting bar.</p> <p>Note: If you purchased your feeder before 2019 you may need the update kit. Be sure to contact HayBoss Feeders to ensure this new system will work for you.</p>
<p style="text-align: center;">JR #1 Net Assembly One side</p> 	<p>SKU: NAJ10100</p> <p>Ship weight: 13lbs</p> <p>Ship Dimensions: 58x7x7</p> <p>Price: \$430.00 CAD \$370.00 USD</p>	<p>This durable UV rated netting has been chosen for its high tensile strength and great resistance to abrasion. It is made to fit on Jr. HayBoss Feeders. Having approximately 1 1/4" x 1 1/4" diamond sizes, the #1 Net is recommended for horses that are already familiar with net feeding as well as goats, sheep, deer and other exotics. Allows your animals to eat small amounts for long periods of time as nature intended. Reduces waste, cribbing, heaves, ulcers as well as herd aggression, in turn saving you time and money. Comes complete with rods, cables, handle and roller connecting bar.</p> <p>Note: If you purchased your feeder before 2019 you may need the update kit. <p>ACCESSORIES AND REPAIR KITS</p>		
<p style="text-align: center;">Std Paw Bar Kit</p> 	<p>SKU: KPBS12</p> <p>Ship weight: 71lb</p> <p>Ship Dimensions: 91x36x18</p> <p>Price: \$610.00 CAD \$510.00 USD</p>	<p>The paw bar is designed to eliminated pre mature wear on the net due to horses pawing. The 1 5/8" galvanized pipe follows the outside perimeter 12" above the floor to deter horses from pawing at the net. Install by drilling and bolting 4 brackets to the floor of the feeder. For loading unhook bungee and flip the bar out of the way. By using a bungee cord to hold the bar down it also serves as a safety break to help eliminate any chance of injury to the horses. Comes with brackets and hardware necessary to install on both sides of the feeder.</p>

<p>Std Goat and Sheep Guard Kit</p> 	<p>SKU: KGGs26</p> <p>Ship weight: 1 lb</p> <p>Ship Dimensions: 8x8x2</p> <p>Price: \$140.00 CAD \$120.00 USD</p>	<p>The Standard Goat and Sheep Guard is a 26" wide, solid tarp like material to be installed on the top inside portion of the nets. It allows only the lower portion of the bale to be exposed, eliminating climbing which in turn reduces waste. Comes with zip ties for attaching to the net. Comes with both sides</p>
<p>XL Goat and Sheep Guard Kit</p> 	<p>SKU: KGGX17</p> <p>Ship weight: 5.5 lb</p> <p>Ship Dimensions: 47x3x4</p> <p>Price: \$200.00 CAD \$180.00 USD</p>	<p>The XL Goat and Sheep Guard Kit is a bar with latches that attaches to the roof of the feeder. By latching the net to the bar it eliminates smaller animals from climbing and only eating the top of the bale, which in turn reduces waste.</p>
<p>JR Goat and Sheep Guard Kit</p> 	<p>SKU: KGGJ17</p> <p>Ship weight: 4 lb</p> <p>Ship Dimensions: 47x3x4</p> <p>Price: \$180.00 CAD \$150.00 USD</p>	<p>The JR Goat and Sheep Guard is a bar with latches that attaches to the roof of the feeder. By latching the net to the bar it eliminates smaller animals from climbing and only eating the top of the bale, which in turn reduces waste.</p>
<p>Net Update Kit</p> 	<p>SKU: KNU01</p> <p>Ship weight: 1lb</p> <p>Ship Dimensions: 5x6x2</p> <p>Price: \$80.00 CAD \$60.00 USD</p>	<p>The net update kit is designed to enable attachment of the new HayBoss Feeders net system to any existing HayBoss Feeder that has been purchased before 2019. Comes with easy to follow instructions and all parts and hardware needed.</p>

<p>#1 Net Repair Panel</p> 	<p>SKU: NRP10</p> <p>Ship weight: 13 oz</p> <p>Ship Dimensions: 7x6x5</p> <p>Price: \$45.00 CAD \$40.00 USD</p>	<p>The HayBoss Feeders net repair Panel is a 4 square foot piece of #1 net to perform multiple repairs in the net if necessary. Simply cut out any broken strands, cut the size of the patch needed. Zip tie each knot of the patch to the existing net and cut the tails off of the zip ties. (Zipties sold separately) Repairing any damage as soon as possible is the best way to achieve the longest possible life expectancy of your net.</p>
<p>#2 Net Repair Panel</p> 	<p>SKU: NRP14</p> <p>Ship weight: 13 oz</p> <p>Ship Dimensions: 7x6x5</p> <p>Price: \$45.00 CAD \$40.00 USD</p>	<p>The HayBoss Feeders net repair Panel is a 4 square foot piece of #2 net to perform multiple repairs in the net if necessary.
